C. WILSON'S - NURSERY. PEMBINE, WISCONSIN. FOR

Northern Grown Trees and Shrubs.

This Wholesale List Cancels all Previous Lists.

Location

We are located 300 miles north of Chicago, Ill., on the Chicago Milwaukee St Paul and Pacific Ry., 295 miles east of Minneapolis Minn., on the Soo Line Ry., in north eastern Wisconsin. Highways U.S. 8 and 141. Visitors are always welcome.

Claims

Claims of any Nature must be made in writing within (10) days from the date Shipment is received. Shipments travel at Purchasers risk and cost unless otherwise stated, in Price List.

Packing

No extra charge for Packing, packed light but secure enough for any method of Transportation. Please state how to ship. We prefer Express transportation charges collect, but will ship by Parcel Post when possible. Unless Prices include Parcel Post enough should be sent for postage.

All Stock is Nursery grown, State Inspected and can be shipped to almost any State. We hold Wisconsin State Inspection Certificate No 1288.

We some times have a surplus of Shrubs and deciduous Trees, any inquiry will be answered promptly.

Terms

Cash before Shipment unless otherwise arranged for.

All Prices are F. O. B. Pembine, Wisconsin and subject to change without Notice, unless otherwise stated in Price List. Quotations are for Bare Root Stock packed in damp Moss. Orders will be booked subject to Crop Loss from any cause beyond our control, correctness of count ETC. We will gladly correct any Errors made in filling Orders but will not be held responsible for more than the Original Amount Paid for the Goods. Orders will be void should Strikes ETC. make delivery impossible.

Shipping Seasons

Spring: About April 15th to May 31st.
Fall: About August 25th to Nov 15th.
Both Seasons depending on Weather conditions.

Rates

5 of same Variety and size at the 10 rate.
25 of same Variety and size at the 100 rate.
250 of same Variety and size at the 1000 rate.

We wish to thank our many Customers and Friends for the past Orders you have given us and hope we can continue to serve you.
We always welcome new Customers and will do all we can to help you.

1. The first group of people who are interested in the study of the history of the world are the historians. They are people who study the past and write about it. They are interested in the events that have shaped the world and the people who have lived through them. They are also interested in the changes that have taken place over time and the reasons for these changes.

... ..

2001

1. The first group of people who are interested in the study of the history of the United States are the people who are interested in the history of the United States.

The following information was obtained from the records of the [redacted] Department of the Interior, Bureau of Land Management, regarding the [redacted] land grant.

[The remainder of the document contains extremely faint, illegible text.]

[illegible][illegible]

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. The letter is addressed to the Senate and the House of Representatives, and is signed by Abraham Lincoln. The letter discusses the state of the Union and the progress of the war against the Confederacy. It also mentions the recent passage of the Emancipation Proclamation and the President's hopes for a speedy end to the conflict.

2. The second part of the document is a report from the Secretary of the War Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Edwin M. Stanton. The report provides a detailed account of the military operations of the Union Army during the previous year. It includes information about the number of troops, the equipment, and the results of the battles. The report also mentions the progress of the war and the President's orders.

3. The third part of the document is a report from the Secretary of the Navy Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Gideon Welles. The report provides a detailed account of the naval operations of the Union Navy during the previous year. It includes information about the number of ships, the equipment, and the results of the battles. The report also mentions the progress of the war and the President's orders.

4. The fourth part of the document is a report from the Secretary of the Treasury Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Alexander C. Howell. The report provides a detailed account of the financial operations of the Union Government during the previous year. It includes information about the revenue, the expenditures, and the state of the Treasury. The report also mentions the progress of the war and the President's orders.

5. The fifth part of the document is a report from the Secretary of the Interior Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Caleb B. Smith. The report provides a detailed account of the land and mineral operations of the Union Government during the previous year. It includes information about the land sales, the mineral operations, and the state of the Interior. The report also mentions the progress of the war and the President's orders.

6. The sixth part of the document is a report from the Secretary of the War Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Edwin M. Stanton. The report provides a detailed account of the military operations of the Union Army during the previous year. It includes information about the number of troops, the equipment, and the results of the battles. The report also mentions the progress of the war and the President's orders.

7. The seventh part of the document is a report from the Secretary of the Navy Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Gideon Welles. The report provides a detailed account of the naval operations of the Union Navy during the previous year. It includes information about the number of ships, the equipment, and the results of the battles. The report also mentions the progress of the war and the President's orders.

8. The eighth part of the document is a report from the Secretary of the Treasury Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Alexander C. Howell. The report provides a detailed account of the financial operations of the Union Government during the previous year. It includes information about the revenue, the expenditures, and the state of the Treasury. The report also mentions the progress of the war and the President's orders.

9. The ninth part of the document is a report from the Secretary of the Interior Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Caleb B. Smith. The report provides a detailed account of the land and mineral operations of the Union Government during the previous year. It includes information about the land sales, the mineral operations, and the state of the Interior. The report also mentions the progress of the war and the President's orders.

10. The tenth part of the document is a report from the Secretary of the War Department, dated January 10, 1862. The report is addressed to the President and the Congress, and is signed by Edwin M. Stanton. The report provides a detailed account of the military operations of the Union Army during the previous year. It includes information about the number of troops, the equipment, and the results of the battles. The report also mentions the progress of the war and the President's orders.
